NiSource Gas Transmission & Storage announces addition to leadership team

HOUSTON, November 18, 2010—NiSource Gas Transmission & Storage (NGT&S) today announced that Jarrod Hodson has been appointed vice president and general manager effective Monday, November 15, 2010. Located in Houston, Hodson will report to senior vice president commercial operations, Colin Harper, and will be responsible for helping to develop market and hub opportunities along the Columbia Gulf system.

With 17 years of industry experience, Hodson joins the company most recently from BNP Paribas Energy Trading. Prior to that, he held various executive, management and trading positions with Fortis, Constellation Energy Commodities, Chevron/Texaco and Dynegy.

For more information about NiSource Gas Transmission & Storage, please visit www.ngts.com.

As units of NiSource Inc., the NGT&S companies include Columbia Gas Transmission, Columbia Gulf Transmission, Crossroads Pipeline, Hardy Storage, Millennium Pipeline and NiSource Midstream Services. Combined, the companies operate about 15,000 miles of interstate natural gas pipeline and 37 storage fields, delivering over 1 trillion cubic feet of natural gas per year.

About NiSource

NiSource Inc. (NYSE: NI), based in Merrillville, Ind., is a Fortune 500 company engaged in natural gas transmission, storage and distribution, as well as electric generation, transmission and distribution. NiSource operating companies deliver energy to more than 3.8 million customers located within the high-demand energy corridor stretching from the Gulf Coast through the Midwest to New England. Information about NiSource and its subsidiaries is available via the Internet at www.nisource.com.
